Description:

Dual-ended design to create flawless cuticles
Use the flat edge to gently push back cuticles
The unique scoop end easily cleans under nails
Easy to use for salon-quality results at home

Description:

The flat end push the excess back and shape the cuticles without scratching the nail surface
The sharp end gets dirt out from the deep crevices of nails and removes skin overgrowing the nail or leftover glue from acrylic nails
It is very easy to use and clean, high quality stainless steel, durable.
